I hereby give my student permission to apply for, and possibly participate in, the Discovery Library Crew. I understand that membership is not automatic and that not all applicants will be chosen for the Discovery Library Crew. I understand that, if accepted, my student will need to commit to at least one day a week to come help out in the library. We offer time slots on Tuesday, Wednesday, Thursday and Friday from 8:15am - 8:45am and on occasion on Wednesdays during recess from 10:30am - 11:15am.

I have read the Discovery Library Crew General Information and understand what my student is applying for. I understand that if my student does not adhere to the guidelines set forth in the Discovery Library Crew Information document, their membership may be suspended or revoked. I also understand that if my student is involved in any inappropriate behavior at school in which I receive one behavior form, my students' membership with the Discovery Library Crew can be revoked.

If you have any questions or concerns, please contact Mrs. Peña at (760) 290-2049 or email me at marion.pena@smusd.org
